

Prince Hall Shriners Foundation, Inc.

a 501(c)(3) non-profit corporation

A HELPING HAND TO OUR COMMUNITIES

ANNOUNCEMENT

Greetings Nobles, Daughters and Other Supporters!

The Prince Hall Shriners Foundation, Inc. Board of Directors and Staff would like to say “thank you” and recognize Temples, Courts, Organizations and Individuals who have made financial contributions from January 1, 2009 to August 31, 2009 to the Foundation on behalf of the Prince Hall Shriners National and Local Programs: *National Diabetes Initiative; Shriners as Mentors Initiative; Student Aid Initiative, Martin Luther King, Jr. Foundation, Youth Department Initiative and Special Events (Local Initiatives)*. We had an extremely successful 1st Annual Prince Hall Shriners Foundation Awards Luncheon during the 2009 Imperial Session in August. During the luncheon, the Foundation awarded grants and scholarships totaling \$55,000 to the: American Diabetes Association; Martin L. King, Jr. Foundation; Ten (10) Temples; and Three (3) Student Scholarships in supporting their initiatives and endeavors. In addition, several Certificates of Recognition for “a job well done” were awarded to those who went the “extra step”.

We cannot stop now! There is still too much to do! Providing educational awareness of and finding a cure for diabetes; mentoring “at risk” and “high risk” African American youth; and financially assisting African American youth achieve their highest academic potential are critical in providing *A Helping Hand To Our Communities*. The Foundation asks that you continue to support these national and local programs.

Following is a list of Temples, Individuals and Organizations recognizing their respective contribution from January to August 2009. (Recognition for contributions received after August 31, 2009 will be made in future Announcements.)

Again, THANK YOU.

Oliver Washington, Jr.
